WKC 2009 Championships Venue

Ft. Lauderdale/Broward County Convention Center is located at the northern end of Port Everglades and is approximately 12 miles from the Ft. Lauderdale airport which is about a 20 minute drive/ride. The hotels are located just walking distance to the Ft. Lauderdale Convention Center where competition will take place.

Ft. Lauderdale, Florida - Sapphire water - Platinum sand - Golden sun. Like the windows of a jeweler's shop, Greater Fort Lauderdale's 23 miles of sparkling beaches beg for attention, stunning all who pass by. The national Clean Beaches Council designated Fort Lauderdale, Dania, Hollywood, Pompano and Deerfield Beaches as Florida's first Blue Wave Beaches, a distinction that places them among the nation's cleanest, safest and most user-friendly beaches. Perhaps that's why so many activities are centered around the beach: dining and diving, biking and boating, jogging and jet-skiing, in-line skating and sunning, picnicking and power walking and of course just relaxing and rejuvenating. The beach alone could hold you captive. But beyond the beaches, there's so much more.
